# TABLE THROWS

**'Cause everybody is crazy about a sharp dressed table!** Using an attractively custom designed printed table cover can help improve a company's presentation; not only at trade shows but any other exhibits, events, conventions, or job fairs. You never get a second chance to make a great first impression.

A well-dressed table is the perfect way to display merchandise, printed materials, samples, handouts, business cards, and other promotional items. A custom table throw can make a plain boring table or lackluster tablecloth shine.

There are many types of table throws. Colonial Flag's table throws come in 2 variations: 3-sided and 4-sided; 3 different sizes: 4 ft., 6 ft., and 8 ft.; and 3 different types: Full Back, Fitted, and Stretched (see reverse side for examples).
