FROM DESIGN TO PRODUCTION AND IN EVERY SHAPE AND SIZE

## MUNICIPAL FLAGS

**Municipal Flags** — Every city has its own individual style. Encourage city pride by displaying your own custom flag. With over 30 years experience, Colonial Flag has helped many municipalities create and fly city flags. We offer a wide range of services from design to production to help with all your projects, from light pole banners to city flags. Our commitment is to offer you quality and value while being conscientious of special budget considerations.

We also help fire and police departments create original flags to display their unit pride and camaraderie.
